ADDITIONAL INFORMATION

Referral Requirements	MercyCare has an open access network of participating providers and specialists. If the specialty care your participating MercyCare Primary Care Physician wants you to receive is available within MercyCare's provider network, he or she will direct you to a specialist in the network. If the care you require is not available from a network provider, your PCP must request a referral. MercyCare will notify you in writing whether your referral is approved or denied.
Prior Authorization Requirements	Prior authorization is required for specific services performed by a participating provider. MercyCare requires the participating provider to obtain prior authorization on your behalf. If prior authorization is not obtained for services by a participating provider, you the member, will be held harmless for charges related to covered services. Any services provided by a non-participating provider require a referral and prior approval from MercyCare. If prior authorization is not obtained for services from a non-participating provider, you the member, will be responsible for the charges.
Medicare Claims Procedure	When receiving care from an in-plan provider, all claims are handled electronically. No claim form is necessary.
OnLine Services	<ul style="list-style-type: none"> • mercyhealthsystem.org Click on MercyCare Insurance and you will find the most recent provider directory and quarterly newsletter magazine "Health Living." • E-mail your questions to: mercy@mhsvl.org.
